Topics to be discussed:

- Understanding the mortgage process
- How much house can you afford?
- Available products, including zero down payment options
- The advantages of getting pre-approved
- Understanding your credit score

* Pre-Approval is provided following a review of your credit information. Final approval is subject to verification of all application information, satisfaction of all requirements and loan conditions, and a final underwriting review. If the application information changes or cannot be verified, your loan request may be denied, or term affected, including, but not limited to, rate, points, closing costs, and loan amount.

This program is for information purposes only. It does not constitute an application nor does it guarantee loan approval. It does not constitute/cover the homebuyer education required for many loan programs. All loans and lines are subject to credit approval. ©2014 KeyCorp. KeyBank is Member FDIC.
